Casa San Agustin - Cartagena, Colombia

Within the Walled City of Cartagena, [Casa San Agustin](#) has been lovingly restored from three whitewashed buildings to create a calm haven in the centre of this bustling city. Comprised of just 30 rooms and suites, the hotel exudes the feeling of a private home, complete with the ever-popular Restaurant Alma and the hidden Aurum spa. Guests of the hotel can opt for the Acasi experience; a one-hour boat ride to a private island decked with sun loungers and hammocks. Whilst on the island, enjoy a freshly cooked lunch with refreshing local beers provided, and stay to watch the sunset.
